All C.D.'s & IRA's: The daily balance method calculates interest applying a daily periodic rate to the principal in your account each day. The APY assumes interest on deposit until maturity. A penalty may be imposed on the amount withdrawn before maturity. A withdrawal will reduce earnings.  
C.D.'s: Interest on C.D.'s is compounded and credited annually and at maturity.  
No additional deposits allowed except as disclosed above.

\*\*\*Interest on 4 Year C.D. and 5 Year C.D. is compounded and credited quarterly and at maturity.  
IRA's: Interest on IRA's is compounded and credited semi-annually and at maturity. Unlimited deposits. No deposits 7 days before maturity. Interest begins to accrue no later than the business day that we receive the deposit of non-cash items (for example, checks).  
\* The rate may change after the account is opened.

\*\*\*\*Must have a checking relationship or new money. Maximum deposit of \$50,000.00. Interest on 8 Month C.D. and 14 Month C.D. is compounded and credited quarterly and at maturity
